EPEMA – Egyptian Plastic Exporters & Manufacturers Association
來信告知當地塑橡膠相關業者尋求與台灣廠商合作，說明如下，若有
興趣請與社團法人台灣非洲經貿協會 聯繫

E-mail : taba.taba@msa.hinet.net

- (1) i-mould is one of the leading Egyptian mould makers with an excellent company Experience and operations in the blow moulding designs.
- (2) The company enjoys the highest market share in the local market.
- (3) The company is willing to expand its operations by penetrating the injection mould making business based on its own studies regarding the egyptian potential market which easily absorbs the new project's production.
- (4) The company need to cooperate with a Taiwanese company to be its partner in this long term investment project in a form of joint venture company or any other partnership firm that can be discussed between two parties.
- (5) Other form of cooperation is to recruit a Taiwani expert who holds a solid experience in this field and to be recommended by your fine association.
