

# SHAPING THE FUTURE OF SMART MANUFACTURING

NOVEMBER 20, 2025  
2:00 PM - 3:00 PM  
BITEC, HALL 102, BM09

## About Our Forum

The PMC Forum brings together top executives from L.K., Palmary, and Tongtai, who will share their visions on how automation, digitalization, and sustainability are reshaping ASEAN industries. From value-chain upgrades to green manufacturing trends, the Forum offers buyers and partners an exclusive chance to gain insights directly from Taiwan’s leading innovators.

Join us at the PMC Forum – “Shaping the Future of Smart Manufacturing”, hosted by Precision Machinery Research & Development Center (PMC), Taiwan, on November 20 (Thursday), 14:00–15:00, at BITEC, Hall 102, Booth BM09.
