NOTIFICATION 美國追加通知－商用鍋爐

Addendum

The following communication, dated 29 March 2016, is being circulated at the request of the delegation of the United States of America.

TITLE: Energy Conservation Program: Energy Conservation Standards for Commercial Packaged Boilers

標題：節能計畫，商用鍋爐之節能標準及測試程序

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy

ACTION: Notice of proposed rulemaking and announcement of public meeting

SUMMARY: The Energy Policy and Conservation Act of 1975 (EPCA), as amended, prescribes energy conservation standards for various consumer equipment and certain commercial and industrial equipment, including commercial packaged boilers. EPCA also requires the U.S. Department of Energy (DOE) to periodically determine whether more stringent standards would be technologically feasible and economically justified, and would save a significant amount of energy. DOE has tentatively concluded that more stringent standards are technologically feasible and economically justified, and would result in significant additional conservation of energy. Therefore, DOE proposes amended energy conservation standards for commercial packaged boilers. This document also announces a public meeting to receive comment on the proposed standards and associated analyses and results.

摘要：美國修正後之 1975 能源政策與節能法訂出不同消費設備及特定商用與工業用設備(包含商用鍋爐)的節能標準。該法亦要求美國能源部定期檢視是否在技術上可行且經濟上合理的更嚴謹的標準，以節省更多能源。基於前述，能源部擬修訂商用鍋爐的節能標準。

DATES: Meeting: DOE will hold a public meeting on Thursday, 21 April 2016, from 9:30 a.m. to 3 p.m., in Washington, DC. The meeting will also be broadcast as a webinar. See section VII, Public Participation, for webinar registration information, participant instructions, and information about the capabilities available to webinar participants.

Comments: DOE will accept comments, data, and information regarding this notice of proposed rulemaking (NOPR) before and after the public meeting, but no later than 23 May 2016. See section VII, Public Participation, for details.

Comments regarding the likely competitive impact of the proposed standard should be sent to the Department of Justice contact listed in the ADDRESSES section before 25 April 2016.

公聽會於 2016 年 4 月 21 日舉辦。評論意見應至遲於 2016 年 5 月 23 日提出。
